# MISSION

BNS' mission is to provide the necessary educational and counseling tools, to low- and moderate-income residents (predominantly at or below 80% of Area Median Income) to prepare them to achieve their housing and/or financial goals; providing a solid foundation for them to create and sustain generational wealth.

We provide 'FREE' vital programs and services to low- and moderateincome residents, who without our assistance, may not have access to, or knowledge of, these resources.

# OUR HISTORY

In 1989, Neighborhood Housing Services of NYC and the New York City Department of Housing Preservation and Development (HPD) conducted a feasibility study, and an NHS office was approved for the Bedford-Stuyvesant community in the spring of 1990.

In December 1991, a five year \$100,000 challenge grant was made by Roosevelt Savings Bank and was met by Independence Savings Bank, Emigrant Savings Bank, Rhodebeck Charitable Trust, The Dime Savings Bank of New York and Carver Federal Savings Bank. In 1996, M & T Bank, Fleet Bank, NA and Astoria Federal Savings Bank joined the multi-year funders.

In April 1992, Neighborhood Housing Services of Bedford-Stuyvesant (NHSBS) began its work in the community. In June 1992 a ribbon cutting ceremony and open house was held at the location at 1012 Gates Avenue, in Bedford-Stuyvesant Brooklyn.

On December 31, 2016, NHSBS separated from NHSNYC and became an independent not-for-profit, HUD Certified, 501 (c) (3) organization, doing business as **Brooklyn Neighborhood Services**.

Renters may struggle with issues like high rental costs, disputes with landlords, or threats of eviction. Housing counselors can offer advice on tenant rights, negotiation techniques, and resources for legal support, helping to stabilize rental

situations.

#### COMMUNITY ENGAGEMENT

Many communities suffer from a lack of engagement or feelings of disenfranchisement. BNS fosters community involvement and development via our participation in local projects and events, leading to more vibrant and cohesive communities.

#### HOME PRESERVATION

Maintaining a home in NY is a journey, homeowners may face financial challenges that threaten their housing security.

Additionally homeowners need the resources to upkeep their properties effectively. We work to prevent the displacement of families and to preserve the integrity and value of homes in our community

Many potential homebuyers face obstacles such as lack of down payment, poor credit, or insufficient knowledge about the buying process. HUD housing counselors provide the support to help individuals and families become

homeowners.

#### POSITIVE VIBES FROM MS. PINK

If Life Is Tough On You, don't forget...

- You can always start again
- Pain and struggles are signs of growth
- · Asking for help is a sign of courage
- · Great things are worth waiting for
- You don't have to figure everything out in one day
- To take care of yourself. You can't run far with an empty tank
- Focus on what you can control and let go of what you can't

It's your job to...

take a break if you need one

filter out toxic energy

learn from your mistakes

take care of your mental/physical health

make yourself happy

let go of grudges and move on
