“WCHS Parent Teacher Conferences & Resource Night” ”

AMAZING TURNOUT AT WCHS! Parent Teacher Conferences

On October 28th, Williamsburg Charter High School was the place to be, buzzing with excitement and anticipation. Over 100 parents and scholars packed the halls, eager to meet the teachers, dissect report cards, and get all their burning questions answered. Our stellar team of Teachers, Academy Leaders Ms. Martin & Mr. Guzman Cruz, our Counselors, Social Workers, Security, Youth development Manager/ Administrative Assistant Ms. Johnson, Parent Coordinator, Operations & Facilities staff were all on deck, and we can not forget our Amazing Principal Ms. Valerie Jacobson all ready to roll out the red carpet for our families.

As families were whisked away to classrooms, questions danced in their heads. Most brought their scholars along for the ride, ready to dive into grades and plot the course for academic stardom. Once the classroom conferences wrapped up, families were welcomed back to the main lobby by the ever-charming Parent Coordinator, Ms. Pink, and her team of Fantastic Community Partners. They came bearing gifts—resources, swag, school supplies, books, and more. And let's not forget Ms. Pink's legendary parent giveaways!

Our Community Partners were a who's who of awesomeness: The WICK Against Violence, Woodhull Hospital, The United States Army, The Greenpoint YMCA Rowe Academy, and The Summer Youth Employment Program at Medgar Evers College CUNY. It was a night to remember, filled with connections, resources, and a whole lot of school spirit! Parent Teacher Conferences & Fall into Partnership Night was a Huge Success!!!!
